Phase I Workshop

Saturday-Sunday, January 9-10, 2010 and April 10-11 2010

Natural Force Healing is a unique and revolutionary energetic and vibrational therapy that is designed to create optimal well being in Body, Mind and Spirit, created by Dr. Kenneth Y. and Lisa V. Davis. Its healing technique is specific and distinctive and cannot be found in any other therapy, ancient or modern. Though it is primarily used as a tool to gain awareness, the majority of users are quick to affirm its profound impact on their mental, emotional and physical well being.

Dr. Ken and Lisa Davis offer knowledge in a unique two day seminar. This unique healing system offers an individual or group, dedicated to helping others, a procedure simple enough for the average person to learn. Yet it is in-depth and powerful enough to be used by practitioners on a daily basis to restore and maintain balance between the mind - body - spirit (referred to as the Triune of Well Being).
